NOTES FOR TABLES 1-3

Creative BC, BC Tax Credit Program applications (FIBC and PSTC) that were approved by Creative BC for certification by the Province of British Columbia. For more information, please refer to the Creative BC Fact Sheet "Tax Credit Certification for Film and Television / Explanation of Reporting Methodology".

The number of tax credit certifications for each fiscal year may include productions that were completed in a different fiscal year than what is reported.

The number of tax credit certifications for each fiscal year includes productions that may have been revoked (if any) in the same or the following fiscal year.

The Production Volume is the total budget under FIBC and the BC spend under PSTC. The budget for FIBC applications may also include the total budget for international treaty co-productions and inter-provincial co-productions.

The budget for VFX only is based on projects that are not filmed in BC and does not represent total VFX activity in the province.
