- Support projects that explore innovative business models and practices
- Support a broad range of music companies, prioritizing systemically excluded groups who experience barriers to participation

Applicant Eligibility

- Companies with primary business activities in the music industry, such as record labels, music publishers, artist managers, booking agencies, recording studios, etc.; or
- Companies from a related sector, proposing a multimedia, cross-sector, or technology project that has direct implications for B.C.'s music industry.

Applicants must be structured as either:

Once applications are scored, Creative BC may make adjustments to fill gaps based on representation, region and type of applicant, to support the breadth of B.C. and its music industry. Creative BC may also prioritize applicants who have yet to receive significant funding through its programs, and applicants who do not receive significant operating support from public sources. For previous recipients, Creative BC may also consider the applicant’s history delivering previously funded projects.

Terms of Funding

Advance of Funds

The advance of funds (the “Advance”) is non recoupable (except as noted below under Forfeiture and Default and within the Agreement) and will be released through one drawdown. Funding provided for projects will be paid to recipients in two drawdowns (75% payable at the execution of the funding agreement, and the final up to 25% following the submission and review of the final report, respectively), according to the conditions laid out in the Agreement.

Respectful Workplace + Client and Partner Code of Conduct

As a catalyst for, and investor in B.C.’s creative industries, Creative BC is committed to supporting a healthy ecosystem that thrives in a culture of mutual respect, dignity and inclusivity that is free from any form of harassment, discrimination, and violence. All companies that work with, or seek funding from, Creative BC are expected to adhere to [Creative BC’s Code of Conduct for Clients, Partners, and Stakeholders](#), implement policies and procedures for a harassment-free workplace, and comply with relevant laws. Creative BC is a signatory of the [Creative Industries Code](#) and expects all applicants, recipients, and partners to also adhere to this Code of Conduct. [Learn more](#).

Use of Artificial Intelligence Technology

Applicants using Artificial Intelligence (AI) technology should refer to the Province of British Columbia’s [Draft artificial intelligence responsible use principles](#). Applicants should particularly consider how the principles of **transparency**, **accountability**, and **fairness** apply to their use of AI within this program.

The use of Artificial Intelligence (AI) technology must be disclosed and outlined in the application.

This applies to:

- The use of AI to prepare the application form and all supporting materials; and
- The use of AI in the creation of content or otherwise, for projects supported by Creative BC.

It is the responsibility of the applicant to ensure that all applications and projects have access to all underlying rights including content that is created with the assistance of AI technology.

Creative BC views emerging technologies as potential tools to empower practitioners, not replace them, while remaining aware of their evolving legal, ethical, and cultural implications. Disclosure around the use of AI technology is required to understand how these technologies are being used and how they align with the Province of British Columbia’s principles of use.

Creative BC does not use AI technology to evaluate applications and supporting materials.

Forfeiture and Default

A completion date is noted on the Agreement by which all deliverables will be submitted. Should all materials not be provided by the completion date, the eligible applicant forfeits any outstanding drawdown amounts and the commitment will be reduced by this amount.

Should an eligible applicant be placed in default- according to the terms of the Agreement, this limits the applicant, its principals and any parent or subsidiary companies from accessing further funding from Creative BC. In addition, Creative BC reserves the right to request immediate repayment of any funds advanced.

Environmental Sustainability

Creative BC encourages the music industry to adopt and implement environmentally sustainable practices and reduce environmental impacts.

Justice, Equity, Decolonization, Diversity + Inclusion

Creative BC is committed to ensuring program access for all, and incorporating justice, equity, decolonization, diversity and inclusion in program delivery. [Learn more.](#)
